

Mission

Project Work helps persons with intellectual disabilities achieve and keep meaningful employment to build inclusive workplaces and thriving communities in the GTA.

Vision

A community that ensures employment for everyone.

Values

Diversity through

- Fostering a culture of inclusion where every individual we serve can thrive.
- Enabling workplace diversity by driving meaningful and sustainable employment opportunities for our participants.
- Collaborating with a broad network of stakeholders to ensure diversity of viewpoints in addressing the unique needs of each individual.

Integrity and respect through

- Creating an environment where fairness, trust, and equitable treatment are the hallmarks of how we work.
- Performing duties with utmost regard to the high standards expected of a social services provider.
- Protecting the privacy of all those we support.

Innovation through

- Responding to evolving needs of participants through supports that are innovative, timely, relevant, and inclusive.
- Partnering with cross-sector experts to combine efforts and deliver holistic supports.
- Acting nimbly to tackle challenges and seize opportunities.

Strategy

Project Work accomplishes its Mission through intensive, personalized training, relationships with employers, and job retention supports.

Strategic Goals

1
Increased
Number of
Participants
Served

Project Work will continue to grow its service impact by supporting an increased number of participants that secure and retain employment.

Project Work will broaden its roster of employers each year with the aim of increasing access to more employment opportunities for our participants.

Project Work will maintain and strengthen relationships with significant employers to develop a strategic partnership rather than a transactional relationship.

2
Expanded Number
and Type of
Employers

3
New Partnerships
to Provide
Complementary
Services

Project Work will enhance the support made available to its participants through partnerships with other organizations that holistically address barriers to employment, including: mental health, housing, and food security.
